www.scholarships.eku.edu

- In addition to submitting the application for admission, ask the Registrar of each regionally accredited college and/or university you have attended — and the high school guidance counselor, if you have completed less than 24 semester hours of college work — to send an official transcript of your record directly to the Office of Admissions. An official transcript is defined as having the seal of the college or university and the signature of the registrar. The transcript must be sent directly to EKU.

- Hand-delivered transcripts or transcripts mailed by the student or stamped "Issued to Student" will not be accepted.

- To transfer to EKU, you must have a minimum cumulative GPA of at least 2.0 (4.0 scale) on all work attempted at regionally accredited institutions. In addition, you should be eligible to return to each institution you previously attended. Applicants not meeting these conditions should contact the Office of Admissions at 859-622-2106 or 800-465-9191.

- Students, who do not meet the above criteria, particularly non-traditional students, and who have not been enrolled in a college or university for a minimum period of 2 years may apply for admission under the provisions of EKU's academic bankruptcy policy. Please contact the Office of Admissions for information at 859-622-2106 or 800-465-9191.

- ACT scores are not required for admission as a transfer student unless you have completed fewer than 24 semester hours of college work; however you are strongly encouraged to submit scores for proper course placement and/or to establish your proficiency in the basic skills of English, mathematics, and reading.

- If you have questions, please contact the EKU Student Outreach and Transition Office via phone (859) 622-7686 or visit www.soto.eku.edu.
