**OSHA 7205—Health Hazard Awareness**

This 1/2 day (5 hour) training course provides an introduction to common health hazards that are encountered in the workplace. These health hazards will include exposure to chemicals, asbestos, silica, and lead.

Upon successful completion of this course, participants will be able to:

- ◆ Identify types of health hazards and sources of exposure;
- ◆ Identify ways to recognize, evaluate, and control hazards in the workplace;
- ◆ Locate OSHA resources on health hazards; and
- ◆ Identify engineering and work practice controls.

The ECU Manchester Campus will be the training site for these courses. Participants will have three opportunities to take this class with slots available on a first come-first served basis on the following dates:

*Wednesday, August 21, 2013  
Wednesday, September 25, 2013  
Wednesday, February 26, 2014*

*Manchester, Kentucky  
Manchester Regional Campus ~ 933 S. Highway 421*

**OSHA 7105 Evacuation & Emergency Planning**

This 1/2 day (4 hour) training course will provide detailed information to prepare participants to develop evacuation and emergency planning that focuses on OSHA requirements for emergency action plans and fire protection plans.

Upon successful completion of this course, participants will be able to:

- ◆ State the reasons for emergency action plans and fire prevention plans and identify when they are required for a workplace;
- ◆ Provide elements of a good evacuation plan;
- ◆ Describe features of design and maintenance of good exit routes; and
- ◆ Focus on assessment of risk for terrorist attacks and how to utilize OSHA's two matrices, evacuation planning and fire/explosion, as tools in emergency planning.

The ECU Corbin Campus will be the training site for these courses. Participants will have three opportunities to take this class with slots available on a first come-first served basis on the following dates:

*Wednesday, August 14, 2013  
Wednesday, October 23, 2013  
Wednesday, March 19, 2014*

*Corbin, Kentucky  
Corbin Regional Campus ~ Corbin By-Pass/Hwy 3041  
One Pennington Way*

**Who Should Attend?**

Safety Managers  
Building Supervisors  
Collateral Duty Safety Personnel  
Line Supervisors  
Program Administrators  
Workers with Safety Duties
